Certificate of Ethical Compliance

We are pleased to confirm that Actuated Medical, Inc. has successfully certified to our U.S. Code of Ethics on Interactions with Health Care Professionals. This certification reflects your commitment to the highest standards of integrity and ethical conduct in your operations. Enclosed with this certificate is our official certification logo, which you are now authorized to use in your marketing and promotional materials.

The Certification and Logo License operate on a biennial Calendar Year basis for members. The Code Certification Logo received with this receipt may be used on business cards, trade show booths, brochures, and in certain other means to visibly demonstrate your company's commitment to the AdvaMed Code.

Thank you for striving for ethical excellence.

Sincerely,
Christopher L. White
